Alliance Missions, alongside U.S. Alliance ministries, focuses on:

SERVING COMMUNITIES
We model and demonstrate Christ’s compassion through disaster relief, community development, medical and educational services, and business initiatives, which open doors to proclaim the good news.

MULTIPLYING CHURCH NETWORKS
We establish and develop multiplying networks of churches. Once established, the churches sustain and multiply holistic ministry in their communities and join in the mission to advance the gospel.

DEVELOPING PEOPLE
We invest in seeing the gospel transform the whole person. In turn, these men and women with a passion for Jesus show and tell the gospel to their neighborhoods and become leaders in their own communities and church networks.

THE NEW FACE OF ALLIANCE MISSIONS

THE LEGACY
For more than 130 years, the Alliance family has joined together to bring the gospel to the least-reached parts of our world. How? By extending our reach to the most neglected end by raising up networks of churches that multiply gospel access.

And because of that dedication, more than 6 million people belong to 23,000 Alliance churches throughout the world.

But we aren’t done yet.

TODAY’S REALITY
More than 4,000 people groups, or about 40 percent of our world’s population, still have little or no opportunity to know Jesus.

But in today’s world we can rarely just walk into a country and proclaim His name. We must first establish a meaningful, impactful gospel presence in every community we enter by providing valued, needed services. It’s then that hearts and minds open to hear the good news.

In this new day, Alliance Missions is leveraging four specialized structures to advance the gospel. Each has a unique purpose, each expresses our Alliance strategic themes, and each is equally important to seeing gospel access for and from all peoples.

This allows more room for more Alliance people to be more involved in Alliance missions than ever before!

ENLISTED IN THE MISSION
This is a call to hear the unique purpose of each Alliance Missions structure:

CAMA
Responds to disasters globally and partners locally to restore communities and alleviate poverty

marketplace ministries
Facilitates marketplace professionals who bring their expertise to a community to disciple those around them

aXcess
Proclaims the gospel and multiplies networks of faith communities among the least-reached of the world

ENVISION
Identifies and develops missional leaders through short-term missions experiences and innovative ministry strategies

God will so write on our hearts the names of these peoples, and tribes and tongues, that we cannot rest until we have gone to them with the message of salvation."
