## **CREDENTIALING COUNCIL** **(Formerly Licensing, Ordination, and Consecration Council)**

Licensing, Consecration and Ordination of the men and women who provide pastoral leadership is a core leadership development effort for the South Pacific Alliance. It provides a hands-on relational approach to learning and becoming more effective as a spiritual leader. The goal is to help ensure that leaders possess the character and competency to oversee Jesus' mission for the local church.

### **Licensing**

Licensing is a leadership development prerequisite for pastoral/leadership employment in a South Pacific Alliance church. Licensing involves an application, engaging a coach, and reading. Once these steps are completed, an accreditation interview is scheduled with the Credentialing Council (CC). Licensing in the South Pacific Alliance of The C&MA is the first step in the process of becoming fully consecrated and ordained in the denomination.

### **Consecration and Ordination**

The consecration and ordination process is designed for you to grow. It provides the opportunity to further sharpen one's character and competencies for ministry. It is a hands-on relational approach to learning and becoming more effective as a spiritual leader. Through this process, you will have a sense of affirmation in your calling. Becoming consecrated and ordained means that you have been engaged in rigorous coursework and demonstrated a clear understanding of the theological tenets of the C&MA.

We want to give a huge THANK YOU to these churches for their contributions to the **Great Commission Fund**. When your church gives to the Great Commission Fund, you're supporting international workers across the globe. The South Pacific Alliance also has the opportunity to partner specifically with international workers serving in Europe. **It is our goal that your church would invite an international worker to your church** to share the stories of what God is doing around the globe through The Alliance at least once each year.

**If you are interested in hosting an international worker**, we would love to help you schedule that. Contact the district office at (951) 719-1191.

Serving in a local church from a place of true health requires significant intentionality on the part of the leader. Due to ministry demands, pastors often become discouraged, lonely, stressed, burned out and depleted. They may wrestle with addictions, tensions in their marriage, family and personal life. Because of this, some pastors may consider leaving the

ministry prematurely. We want to introduce you to Gary and Joy Tangeman who are Standing Stone shepherds, who provide confidential soul care, and spiritual hospitality to pastors, ministry leaders and their spouses. Joy and Gary have been involved in ministry for over 40 years in Southern California and Washington. They may be contacted directly.

The Lighthouse is a place where pastors and teachers come for rest and renewal, to study, pray or write; where church staff and leaders can retreat to pray and plan; where groups can come away to focus on our wonderful Lord Jesus and be refreshed by studying His Word; where ministry families can experience a Christ-centered time, away from their normal routines.

The Lighthouse Retreat Center is situated on two acres of pine trees one block from Big Bear Lake. The **Lodge** is a rentable 5 bedroom, 2 story home that sleeps up to 15 people, and is perfect for team leadership planning events, prayer events, and adult retreats. The **Cabin** is 1 bedroom that sleeps 2, FREE to pastors and their immediate families with a \$125 cleaning fee.

South Pacific Alliance Women, a ministry of the greater [Alliance Women](#), exists to exalt Jesus and to complete His Great Commission. Our focus is to encourage women to connect with Jesus, the work of the Alliance, and each other. There are two coordinators who are working together toward these goals: Amy Chong and Kylene Lopo. We are working together to reestablish the presence of this ministry in the SPA. Our goals and plans for the upcoming years include:

- Foster opportunities for women within the SPA to fellowship and partner in ministry together
- Greater involvement in ministry to missionary kids (also known as Third Culture Kids, or TCKs)
- Greater connectedness to our international workers/ministries

We are looking forward to where the Lord will lead us in these upcoming years as we seek to have His Kingdom come on earth as it is in Heaven. You can reach us at [spalliancewomen@cmaspa.org](mailto:spalliancewomen@cmaspa.org).

In the fast-paced, ever-changing world that our students find themselves in, youth leaders are forced to try to hit a moving target. The South Pacific Alliance works hard through retreats, camps, and trainings to make this possible. Outside of our yearly training events, we also provide meaningful connections with other youth leaders across our district. Find out more about what's happening online at [allianceyouth.com](http://allianceyouth.com). If you have any

## LIFE CONFERENCE

LIFE Conference is a once every 3-year denominational event for High School students designed by the national office. It is almost impossible to describe, other than to say that it is worth the time and effort it takes to attend. Each event is in a different city. LIFE Conference has traveled from Phoenix to Columbus to Saint Louis to Orlando and more! The most amazing thing about LIFE is seeing 5,000 high school students worshipping together and discovering how God has called them to a life dedicated to him. Watch the playlist at [cmaspa.org/nextgen](http://cmaspa.org/nextgen) to get a glimpse of what LIFE Conference is all about.

If you have any questions, please reach out to me at [michael@cmaspa.org](mailto:michael@cmaspa.org).

I would love to talk about how we can work together to plan for LIFE Conference 2025!

## CAMP

Camp Ministry is a unique opportunity for your students to experience Jesus in a different and memorable way. Our district is proud to organize a winter camp every year. We have an elementary camp for 4<sup>th</sup> – 6<sup>th</sup> grade students and a secondary camp for 6<sup>th</sup> – 12<sup>th</sup> grade students. These camps happen the same weekend at the same location, but each program is intentionally designed for each age group. Each year, we strive to make our camp better while still putting the gospel and our CMA DNA on display. In 2025 we are moving to Pine Crest Christian Conference Center and will be there February 21<sup>st</sup>-23<sup>rd</sup>, 2025. Pencil it into your calendars now! If you have any questions, don't hesitate to reach out to Michael Gilmore at the district office with any questions at [michael@cmaspa.org](mailto:michael@cmaspa.org).

## **DISTRICT STORIES**

Revelation 12 tells us, “They have defeated him by the blood of the Lamb and by their testimony.” It is by our stories that we can overcome the stronghold of the enemy and bring hope to this world. If you have a story of hope, of God’s work in your ministry, please contact the District Office. We want to tell your story to encourage and inspire everyone in our district.

## **PRAYER**

The district has a team of prayer warriors that are praying for you. If you have any prayer requests or praise report, email us at [prayer@cmaspa.org](mailto:prayer@cmaspa.org). The amazing team of prayer warriors is led by Otis Brown.

## **CHURCH ACCREDITATION**

It is our goal to help every church in the South Pacific Alliance to become a fully accredited C&MA church in good legal standing. The District Office can help you with such things as:

- Articles of Incorporation
- Local church bylaws
- Statement of Information (filed with Secretary of State)
- Group Exemption

If you need any assistance or are unsure of your status, please contact the SPA District Office: (951) 719-1191.

## LEADERSHIP DEVELOPMENT

The South Pacific Alliance is committed to developing home-grown leaders, not only to benefit your church but also to serve across the district in other churches, as well as globally. It is our goal that we see the next generation of Alliance pastors, missionaries and lay leaders come primarily from our own churches, thereby having an organic connection and Alliance DNA already a part of their makeup. You may always contact us at the district to discuss ways to train leaders, but below is a basic document that you may use as a starting point for leadership development among potential leaders in your churches. We realize that our district is diverse - socially, racially, demographically, etc. Therefore, we do not have a one-track fits all leadership development package, but instead we have multiple tracks and avenues that will help train and raise up leaders.

### 1. **Traditional Track** – Alliance Universities and Seminaries

**Target Group:** Youth/pre-career adults preparing for a lifetime of clergy or International Worker track service

The Alliance has three Universities across the US: Simpson University in Redding, CA, Crown College in St. Paul, MN and Toccoa Falls College in Toccoa Falls, GA. All these schools are endorsed by the C&MA, have both secular degree programs, as well as Theological programs which will prepare students for ministry. Each university also offer scholarships for Alliance pastor's children, future Alliance workers, etc.

Simpson University: [admissions@simpsonu.edu](mailto:admissions@simpsonu.edu)

Crown College: [admissions@crow.edu](mailto:admissions@crow.edu)

Toccoa Falls College: [admissions@tfc.edu](mailto:admissions@tfc.edu)

Graduate Programs:

Tozer Seminary: [prehberg@simpsonu.edu](mailto:prehberg@simpsonu.edu)

### 2. **Non-Traditional Track** – Alliance Center for Leadership Development (ACLD)

**Target Group:** Late life second career people, working pastors, people pursuing licensing and ordination but do not fit the education requirement. Materials are also in Spanish and there is a Spanish cohort program available as well.

*"The Alliance Center for Leadership Development is a hub for leadership development and ministry preparation for those interested in serving with The Christian & Missionary Alliance and for those who already serve with the C&MA but need additional training, development, or certification."*

ACLD fulfills ordination requirements, gives a certificate, and some course credits may be transferred to some C&MA universities such as Crown. Materials and cohort program available in Spanish as well.

Contact: Gina Edmond [gina@cmaspa.org](mailto:gina@cmaspa.org) or visit [allianceleaders.org](http://allianceleaders.org)

Cost: \$3,200 for full program

3. **Continuing Education (Degree oriented)** – Crown Online  
**Target Group:** Late life professionals, or career change people looking for or in need of fully accredited degree. Crown is fully online and offers various ministry degrees.  
 Visit: <https://www.crown.edu>
  
4. **Women’s Education** – Any of the above categories may use Empower. *“EMPOWER is a developmental ministry certificate program designed by women for women, to move to the next level in their personal relationship with God and to walk in the fullness of their gifts and calling. The program is designed for women to receive biblical and theological training, enrich their own personal spiritual formation by dealing with issues of the heart, and process with other women in small mentoring groups.”*  
 Contact: Keicha Morris [keicha.morris@gmail.com](mailto:keicha.morris@gmail.com)
  
5. **Spanish Speaking** – ACLD Spanish (See # 2), ACLD is fully translated into Spanish
  
6. **Potential Missionaries**– Envision Internship Programs  
*“Identifying and developing missional leaders through short-term missions opportunities and innovative ministry strategies”*  
 Visit: <https://weareenvision.com/internships/>
  
7. **Potential Church Planters** – [Greenhouse residency. Talk to Dave Reynolds he can set one up]. Our purpose is to equip congregations to discover, develop, and deploy leaders to plant healthy reproductive churches that are reaching their communities for Christ. We do that through Greenhouse Environment Training and Support and by providing planters with ACTS: Assessment, Coaching, Training and Support.  
 Contact: Dave Reynolds [wcpalliance@gmail.com](mailto:wcpalliance@gmail.com)
  
8. **Pre-College Age (Junior High/High School)**
  - LIFE Conference – The Alliance has reported one common factor among international workers and pastors is the attending of LIFE conference as a student. LIFE occurs every three years, giving every high school student the opportunity to attend at least once. We highly encourage you to make it a priority for your church to attend.
  - Future-Leaders Cohort – We are establishing a future-leaders cohort. This will feature meetings, trainings, resources and opportunities for Youth leaders looking to go into fulltime ministry to be able to connect with other youth leaders.
  - Alliance University Preview weeks: Most of the C&MA universities have preview weeks
  - Contact: Michael Gilmore [michael@cmaspa.org](mailto:michael@cmaspa.org)

Beyond the above-mentioned options, the South Pacific Alliance holds multiple events and trainings throughout the year for leadership development, continued education, and ministry tools. Mentors will also be given to every individual pursuing licensing or ordination through the C&MA. For any questions regarding events, district mentors or licensing/ordination, or any other questions regarding the above-mentioned avenues feel free to contact [info@cmaspa.org](mailto:info@cmaspa.org) or (951) 719-1191.
